A Note on Reporting:

All students will receive a final grade and a report card in June, as outlined in the Manitoba Education COVID-19 Response Plan. Marks will be based, at minimum, on the student's performance at the time of the suspension of learning. Teachers will provide a short summary of the outcomes they have addressed along with student strengths and areas for growth for the coming year. Remember, no student will be penalized due to the COVID-19 pandemic or due to barriers in achievement and participation during the suspension of in-class learning. **Report cards, supply lists, and other year-end correspondence will be mailed out to families on June 29th. Please ensure your mailing address is up-to-date with our office before June 1st.**

Save the Date:

Please know that we are thinking of a special, social-distanced, way to celebrate the school year and our grade 6's on **June 26th between 10am-noon**. Further information will come through classroom teachers and via email in the coming weeks.
